

ADOLESCENT LITERACY (GRADES 5-12), MSED

Program Director: Sheri Voss, A.B.D., Visiting Professor
Phone: 716-375-2368
Email: svoss@sbu.edu

This degree is designed for teachers who wish to address the demanding literacy needs of their students or who wish to serve in Grade 5-Grade 12 settings at some time in their career. The degree provides teachers with extended research-based knowledge in the areas of the literacy process, diagnosis and remediation of literacy difficulties, supervision of reading and literacy programs, and other literacy education issues.

Information About Certification

The degree in Adolescent Literacy requires candidates to have met all requirements for initial teacher certification in a matching area (either Middle or Adolescence) prior to admission to the degree program; therefore, it is not a path to initial teacher certification. The MSED in Literacy does meet the criteria for, and may be used in partial fulfillment of, the requirements for professional (or permanent) teacher certification in the state of New York. The degree meets the requirements for an additional certification area in New York. The only candidates recommended for literacy or reading certification in NY by the School of Education are those who have completed the master's degree in its entirety.

Admission Requirements

The admission committee reviews the following in considering candidates for this program:

1. Teaching certificate in matching area (Middle, Adolescence) in hand or pending
2. Transcripts from all previous colleges (3.0 GPA)
3. References (2)
 - a. Ability to do graduate work
 - b. Success as a teacher
4. Interview
5. Writing sample
6. Test scores: GRE, MAT or another substantially equivalent test
7. Additional information, if requested by program director

READ-595	CLINICAL PRACT/ADOLE.LIT	3

READ-599	LITERACY COACHING INTERNSHIP	0
Total Credits		30

Practicum/Internship Requirement

The college-supervised practicum experience consists of the completion of the three courses in our clinical practicum sequence: READ-570, READ-585 and READ-595. Consistent with the program's philosophy, purposes and objectives, the clinical practicum sequence allows candidates to assess thoroughly the literacy skills and strategies of clients at both middle and high school levels, to create individual plans of instruction and to provide such instruction for those candidates for a period of at least 50 clock hours. The practicum is always supervised by fulltime faculty from the program and/or certified literacy teachers from the community, and it is accompanied by seminars that focus on the various issues common to all clients in the program. As part of the program, candidates write diagnostic and instructional reports that are shared with parents and school personnel.

The second half of the field experience in the program is completion of READ-599. This is a 60-hour (minimum) in-school practicum where candidates are placed with certified literacy specialists or coaches and must complete projects that meet the literacy coaching standards set by the International Literacy Association. While the Internship carries no credit, it is an exit requirement for the program. Projects completed at the internship setting will be due during other courses taken across the program and grades for the projects will be granted within those other courses.

Exit Criteria

In order to be awarded the degree in Adolescent Literacy, a candidate will be evaluated on the following exit criteria:

1. A cumulative GPA of at least 3.0
2. Successful completion of the Clinical Practicum
3. Successful completion of the Literacy Coaching Internship
4. Submission of an Electronic Portfolio showing professional growth and accomplishments
5. Successful completion of the Comprehensive Examination
