<sup>1</sup> While 120 credits are required for graduation, this major requires additional credits. Up to 128 credit hours may be required for Inclusive Childhood and Early Childhood Education degree. However, this may vary as courses may count in several categories.

<sup>2</sup> 3 of the 6 required credits are counted in the general education requirements

<sup>3</sup> Counted in general education requirements

You must complete one course with diversity (D) coding and one writing intensive course (W). These courses need to be additional course, but can be ones that also fill another requirement.

General electives are needed when a major course is also fulfilling one of the General Education Distributions.

**Notes:**

- All students must take a writing intensive course and a diversity coded course.
- Workshops must be completed before Clinical Block 1.
- Clinical Block courses must be taken together in the same semester.

- Clinical Blocks 1 and 2 must be completed prior to student teaching.
- No additional courses may be taken during the student teaching semester except EDUC-499.
