

FINANCIAL AID

St. Bonaventure University is aware of the fact that it is becoming more of a challenge to meet the rising costs of a college education. The financial aid programs at St. Bonaventure have been developed with that in mind. Eligibility for most forms of aid is based primarily on need and/or academic achievement. A student must be matriculating in order to qualify for any financial aid. Federal and New York State regulations also stipulate that students may receive financial aid only for courses that are required for their degree program. The following sections give a general overview of the types of financial assistance available to students and their families. Students must file the Free Application for Federal Student Aid (FAFSA) so that eligibility for federal programs may be determined. New York residents seeking TAP must file a New York State TAP Application.

St. Bonaventure University Grants and Scholarships

A student must be enrolled full-time (12 credit hours per semester or more) at St. Bonaventure to receive institutional scholarships or grants.

These scholarships and grants are available for undergraduate study for up to eight semesters only. Funds cannot be used to cover study abroad costs or summer school costs. Academic scholarship and grant amounts are determined for incoming students, in partnership with the Office of Admissions, and are renewed at the original amount each year thereafter provided any requirements for such scholarships and grants are met. All scholarships and grants require Satisfactory Academic Progress, including a 2.0 minimum cumulative grade point average. Scholarships are applied towards tuition and fees.

Presidential Scholarship

This prestigious scholarship is awarded annually to incoming freshmen with exceptional academic credentials regardless of financial need. The resident portion of the award requires that a student reside in campus housing with housing charges.

Friars Scholarship

In keeping with the goals of Franciscan education, the friars of St. Bonaventure University offer scholarships funded through the contributed services of the friars. This scholarship fund recognizes academically gifted freshmen and transfer students. Awards can vary dependent upon the degree of achievement of the applicant. The resident portion of the award requires that a student reside in campus housing with housing charges.

Provost Scholarship

These scholarships are awarded to entering freshmen and transfers with high academic achievement. The resident portion of the award requires that a student reside in campus housing with housing charges.

Achievement Grant

These grants are available to entering freshmen and transfers with commendable academic incentive. The resident portion of the award requires that a student reside in campus housing with housing charges.

Incentive Grant

These grants are available to entering freshmen and transfers with deserving academic incentive. The resident portion of the award requires that a student reside in campus housing with housing charges.

Grant-in-Aid

These grants are available to incoming and continuing students primarily on the basis of financial need, as determined by the Free Application for Federal Student Aid (FAFSA). It is a requirement that this application be filed for an initial grant and for renewal. The resident portion of the award requires that a student reside in campus housing with housing charges.

High School Scholarships

Students enrolling as regularly admitted freshmen from select area high schools may receive a \$1,000 scholarship.

Sibling Grant

This grant is available to students if two or more siblings from the same immediate family are concurrently registered as full-time undergraduate students in the same semester. The grant is for \$500 max per student per year. This grant does not apply to graduate students. This grant is not applicable if a student is receiving a grant, scholarship or award that covers full tuition.

Visit Grant

This grant is available to students who visited campus, during a defined timeframe, during the admissions process. Recipients are identified by the Office of Admissions. The grant is \$500 max per student per year. This grant does not apply to graduate students. This grant is not applicable if a student is receiving a grant, scholarship or award that covers full tuition.

Annual and Endowed Scholarships and Grants

These scholarships are funded by generous gifts from donors to St. Bonaventure University. New scholarships are established throughout the year so opportunities for financial aid continue to grow. Many scholarships are awarded for a four-year period and may not be available to new students every year. A student must be enrolled full-time to qualify for these awards. Students will automatically be considered for awards as part of the financial aid package if they file the FAFSA by the required deadline.

Giant Step Aid

Operation Giant Step is a program designed to provide an opportunity for qualified high school seniors within commuter distance to enroll in college-level courses with credit prior to the completion of their high school education. Students will be allowed to take as many as six hours per term. The University fee is \$300 per credit hour per course, subject to change and dependent upon tuition increases. For more detailed information contact the Office of Admissions.

Senior Citizen Program

St. Bonaventure University invites senior citizens to enroll in undergraduate, graduate, and continuing education courses. The privilege is extended to eligible persons 60 years of age or older. The cost of tuition varies depending on the individual's application status: auditor, non-matriculant, or matriculant. Regardless of the application status, an individual is responsible for the cost of books and supplies as may be needed for a course.

Applicants must procure the senior citizen application form from the Office of Admissions. This form should be completed and returned prior to registration day of the session for which the applicant intends to enroll. The University fee is \$200 per credit hour per course, subject to change. For more detailed information contact the Office of Admissions.

Military Aligned Student Assistance Grant

Veterans, active duty service members, reservist, guardsmen, and their dependents are eligible for the SBU Military Aligned Student Assistance Grant. The grant assures that veterans and their dependents (as defined on the FAFSA) will receive a minimum of 50% of their tuition costs in grants and scholarships.

The grant amount is determined by taking the total tuition charges and subtracting all other grants and scholarships that the student qualifies to receive. The SBU Military Aligned Student Assistance Grant is awarded after all other aid. Grants and scholarships include but are not limited to SBU merit and need based scholarships. If at least 50% of the tuition charges are covered by other grants and scholarships, then the student will not qualify for any additional SBU Military Aligned Student Assistance Grant. This grant is available to all full and part time students enrolled in all undergraduate and graduate SBU academic programs and majors with the exception of SBU online programs.

Federal Loans

Federal Direct Loan Program

Application Procedures

Students must file a FAFSA in order to have eligibility determined. Students may qualify for a "subsidized" loan, which is based on need, or an "unsubsidized" loan regardless of need. Once eligibility has been established, the student will be notified of the process to follow. It will be necessary to complete a Master Promissory Note (MPN) and loan entrance counseling. St. Bonaventure will send instructions on how to complete the promissory note electronically (eMPN) and loan Entrance Counseling. For the school year beginning in the fall, funds may not be disbursed earlier than the start of the semester. Funds for first-year, first-time students will not be disbursed until approximately three weeks after the start of the term.

Selection of Recipients and Allocation of Awards

To be eligible for a Federal Direct loan a student must be:

1. a U.S. citizen or permanent resident alien; and
2. admitted as a matriculated, at least half-time, student at an approved college, university or other postsecondary institution in any of the United States or in a foreign country.

Loan Schedule

An undergraduate student may borrow up to \$5,500 (at least \$2000 unsubsidized) for the first year of study, \$6,500 (\$4,500 subsidized, \$2000 unsubsidized) for the second year, and up to \$7,500 (\$5,500 subsidized, \$2000 unsubsidized) for each of three or more years, to a maximum of \$31,000 (no more than \$23,000 can be subsidized). If you are an independent undergraduate, you can borrow up to \$9,500 for the first year (at least \$6,000 must be in unsubsidized Federal Direct loans); \$10,500 for the second year (at least \$6,000 must be in unsubsidized Federal Direct loans); and \$12,500 for the third and fourth (and possibly fifth) academic years (at least \$7,000 of this amount must be in unsubsidized Federal Direct loans).

The total Federal Direct loan debt you can have outstanding as a dependent undergraduate is \$31,000; as an independent undergraduate, \$57,500.

Rights and Responsibilities of Recipients

An undergraduate student may borrow at relatively low fixed and variable interest rates subsidized and unsubsidized Federal Direct Loans. Payment of principal may further be deferred during study under a graduate program approved by the U.S. Commissioner of Education, during up to three years of active U.S. armed forces service, during up to three years as a full-time Peace Corps or VISTA or similar national program volunteer, or during up to 12 months of unsuccessful search for full-time employment.

If you have a need-based (subsidized) Federal Direct Loan, the federal government pays the interest on the loan while you are in school during the grace period or in deferment. If you have a non-need-based

(unsubsidized) Federal Direct Loan, you will be responsible for the interest during in-school and deferment periods.

After ceasing to be enrolled at least half-time, the borrower must make formal arrangements with the lending institution to begin repayment. The following regulations apply:

1. Depending on the amount of the loan, the minimum monthly payment will generally be \$50 plus interest. Under unusual and extenuating circumstances the lender, on request, may permit reduced payments.
2. The maximum repayment period is generally 10 years.
3. Repayment in whole or part may be made at any time without penalty.
4. Borrowers may be able to consolidate all loan payments. Consult your lender or servicer for additional information.

Federal Direct Plus Loans for Parents & Graduate Students

Federal Direct PLUS loans enable parents with good credit histories to borrow for each child who is enrolled at least half-time and is a dependent student. The yearly loan limit is the cost of education minus any estimated financial aid for which a student may qualify.

Alternative Education Loans

Before borrowing an Alternative Education loan, be sure to exhaust all federal loan options first (Federal Direct Student loans and Federal Parent PLUS loans). An alternative loan is borrowed through a major lender.

The borrower and cosigner must go through a credit check. In most cases, no repayment is required on the loan while the student is in school. However, you do have the option to pay the principal and/or interest while in school.

Visit <http://www.elmselect.com> where you will find a link to St. Bonaventure's profile page on ELM Select. ELM is a not-for-profit service that allows you to research many alternative loan lenders and their loan products, as well as compare them side by side to find the best loan for you. Once you have selected a loan, you can apply directly from the ELM Select page. Though St. Bonaventure provides a list of lenders with whom we have worked in the past, you are free to choose any lender. St. Bonaventure does not discriminate and will not intentionally delay or refuse to process a loan from a lender that is not represented on the provided list.

After you complete the loan paperwork and the loan is approved, the lender will send SBU's financial aid office the loan certification. Loans will disburse at the beginning of the semester.

Federal Work Study

St. Bonaventure University administers the Federal Work Study Program, which provides jobs for students with demonstrated financial need. Both full-time and part-time undergraduate are eligible to participate in the program. Placement in a job depends on the availability of open positions. A portion of Federal Work Study funds are allocated to community service positions. The FAFSA must be filed each year if you desire job placement or renewal consideration.

St. Bonaventure University Student Employment Program

St. Bonaventure operates its own work program (Bona Work) as a supplement to the Federal Work Study Program. Some opportunities for placement do exist on campus. Placement in a job depends on the availability of open positions. Job opportunities are posted on the SBU Web site. Access to job postings is available to all enrolled students with

a valid e-mail account. Information may be obtained by contacting the Office of Financial Aid.

Allowing Veterans to Attend or Participate in Courses Pending VA Payment

Background

Section 103 of Public Law (PL) 115-407, 'Veterans Benefits and Transition Act of 2018,' amends Title 38 US Code 3679 by adding a new subsection (e) that requires disapproval of courses of education, beginning August 1, 2019, at any educational institution that does not have a policy in place that will allow an individual to attend or participate in a course of education, pending VA payment, providing the individual submits a certificate of eligibility for entitlement to educational assistance under Chapter 31 or 33.

Pending Payment Compliance

In accordance with Title 38 US Code 3679(e), St. Bonaventure University adopts the following additional provisions for any students using U.S. Department of Veterans Affairs (VA) Post-9/11 G.I. Bill[®] (Ch. 33) or Vocational Rehabilitation & Employment (Ch. 31) benefits, while payment to the institution is pending from VA. St. Bonaventure University will not:

- Prevent the student's enrollment;
- Assess a late penalty fee to the student;
- Require the student to secure alternative or additional funding;
- Deny the student access to any resources (access to classes, libraries, or other institutional facilities) available to other students who have satisfied their tuition and fee bills to the institution.

However, to qualify for this provision, such students may be required to:

- Produce the VA Certificate of Eligibility (COE) by the first day of class;
- Provide a written request to be certified via the institutional Veterans Benefit Request Form
- Provide additional information needed to properly certify the enrollment as described in other institutional policies

GI Bill[®] is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <https://www.benefits.va.gov/gibill> (<https://www.benefits.va.gov/gibill/>)

Criteria for Renewal of Financial Aid

St. Bonaventure University Aid

A student must maintain both full-time status (12 credit hours) each semester and maintain the following cumulative grade point averages to have institutional awards renewed as outlined in the following chart. Please note that the St. Bona Grant-in-Aid, St. Bona Resident Grant are based on financial need and are subject to change if a family's financial circumstances change. A FAFSA must be submitted annually for review by the Office of Financial Aid. All resident grant/scholarship recipients must reside on campus and have housing charges in order to renew the award. Appeals regarding loss of St. Bonaventure Aid may be made to Office of Financial Aid, c/o Financial Aid Appeals Committee. All scholarships and grants require Satisfactory Academic Progress, including a 2.0 minimum cumulative grade point average. Scholarships are applied towards tuition and fees.

Federal Aid

In addition to meeting the academic standards outlined in the section dealing with academic policies, full-time students who are recipients of any federal aid (Federal Pell, FSEOG, FWS, Federal Perkins, Federal Direct, PLUS) must also complete their educational objective within a period which is equivalent to 150% of the expected degree completion time frame (adjustments are made for difference in enrollment status; e.g. half-time), and must meet the standards of satisfactory progress outlined in the following chart:

Semester	Cumulative Credits	Earned Cum. GPA
1st	0	0
2nd	10	1.25
3rd	20	1.7
4th	30	1.85
5th	40	2.0
6th	50	2.0
7th	60	2.0
8th	70	2.0
9th	80	2.0
10th	90	2.0
11th	100	2.0
12th	110	2.0

At the end of every academic year, a student's eligibility will be reviewed to determine if at least two-thirds of the attempted credits have been completed successfully. For example a student who has attempted 15 credits will need to have completed at least 10 credits with the requisite GPA to maintain good status. If the student fails to complete the requisite number of credits and/or does not have the required GPA, the student will be placed in Warning Status for the next semester. Failure to complete the number of credits or meet the GPA requirements when in Warning Status will result in loss of Federal Aid for ensuing semester.

Students may appeal their loss of federal financial aid if they have extenuating or mitigating circumstances and can create a successful plan for being on pace with degree completion requirements as outlined above. If the appeal is granted, students will be placed on Federal Financial Aid Probation and be eligible to receive aid for the next semester. A review of eligibility will be completed at the end of the semester. If the appeal is not granted, the student will be placed on Federal Financial Aid Suspension. Eligibility will be reinstated once credits and GPA requirements are met.

Transfer students will note that credits earned at a previous institution will be counted towards the maximum number of credits allowed for funding, not to exceed the 150% of the expected credit requirements.

Students who repeat a course may receive financial aid for the course if they are registered for a sufficient number of credits to maintain pace toward degree completion. Repeat courses will not count towards the attempted credits for any term; therefore students will need to complete two-thirds of credits taken for the first time in order to maintain eligibility.

A student may receive federal financial aid once for a repeated course in which they received a passing grade.

New York State Aid

Satisfactory Academic Progress

To receive assistance from New York State, a student must remain in "Good Academic Standing." This means that the student must:

1. display satisfactory academic progress toward the completion of his/her program requirements, and
2. demonstrate pursuit of the program in which he/she is enrolled.

The two elements of satisfactory academic progress and program pursuit must be met for each term of study in which an award is received.

Satisfactory Progress

A student must acquire a minimum number of credits at each semester interval and a minimum cumulative grade point average (GPA). Students generally must meet the standards of satisfactory academic progress as outlined on the following charts:

For students first receiving aid in 2007-08, 2008-09, 2009-10 and HEOP

Before Being Certified for this Payment of State Aid	A Student Must Have Accrued at Least this Many Semester Credit Hours	With at Least this Cumulative Grade Point Average
1st	0	0
2nd	3	1.10
3rd	9	1.20
4th	21	1.30
5th	33	2.00
6th	45	2.00
7th	60	2.00
8th	75	2.00
9th	90	2.00
10th	105	2.00

For non-remedial students first receiving aid in 2010-11 and thereafter

Before Being Certified for this Payment of State Aid	A Student Must Have Accrued at Least this Many Semester Credit Hours	With at Least this Cumulative Grade Point Average
1st	0	0
2nd	6	1.50
3rd	15	1.80
4th	27	1.80
5th	39	2.00
6th	51	2.00
7th	66	2.00
8th	81	2.00
9th	96	2.00
10th	111	2.00

Education law requires that no undergraduate student shall be eligible for more than four academic years (eight semesters) of state awards or five academic years (10 semesters) if the program of study normally requires five years. An example of such a program is the Higher Education Opportunity Program. A fifth year of undergraduate tuition assistance will reduce a student's eligibility for graduate support of one academic year. Other than students enrolled in the HEOP program, a student at St. Bonaventure is not eligible to receive more than eight semesters of undergraduate TAP.

Program Pursuit

State regulations define "program pursuit" as receiving a passing or failing grade in a certain percentage of a full-time course load (12 credit hours). The standards are as follows:

- In each semester of study in the first year for which an award is made, the student must receive a passing or failing grade in at least six credit hours (i.e., 50 percent of the minimum of full-time load of 12 hours).
- In each term of study in the second year for which an award is made, the student must receive a passing or failing grade in at least nine credit hours (i.e., 75 percent of the minimum full-time load).
- In each term of study in the third and each succeeding year for which an award is made, the student must receive a passing or failing grade in at least 12 credit hours (i.e., 100 percent of the minimum full-time load).

The state will accept as a passing or failing grade the grades "A" through "F" and any grade that indicated the student

1. attended the course for the entire semester and
2. completed all the assignments.

The grade of "I" (incomplete) is acceptable only if it automatically changes to a standard passing or failing grade before the completion of the next term of study. The grades of "W" or "AU" do not constitute grades that may be used to meet the requirement of program pursuit.

Repeats

A repeated course in which a student received a passing grade is not eligible for New York state aid.

Waiver Procedures

If a student fails to maintain program pursuit, fails to make satisfactory progress, or fails to meet both of these elements of good standing, the University may grant a waiver which would allow the student to receive New York state financial assistance for the next semester. A maximum of one waiver at the undergraduate level and one waiver at the graduate level may be granted to a student, if the university certifies and maintains documentation that such a waiver is in the best interest of the student.

A waiver will be granted if situations beyond a student's control prevent the student from maintaining satisfactory academic progress or program pursuit. The waiver will not be automatic since it is intended to accommodate only extraordinary cases. These situations must be documented. Reasons for which waivers may be granted include:

- personal medical problems
- family medical problems
- severe personal problems
- a death in the family
- other circumstances beyond the control of the student

Any student wishing to request a waiver must submit it in writing to the Office of Financial Aid. The request should detail the reasons why special consideration should be given. (A statement simply requesting a waiver is insufficient). Documentation supporting the stated reasons for special consideration must be provided. Written statements from appropriate third parties or agencies where appropriate should be provided. The student is responsible for requesting that all documentation be forwarded to the Office of Financial Aid. Documentation should indicate that the

student's problems have been directly responsible for the inability to meet satisfactory progress and/or program pursuit requirements.

The Office of Financial Aid will forward the waiver request and all supporting documentation to the Vice President for Academic Affairs. Once the information has been reviewed the student will be informed in writing of the decision.

Award programs affected by this policy include the following NYS aid programs:

- Tuition Assistance Program (TAP)
- Children of Deceased and Disabled Veterans Award (CV)
- Higher Education Opportunity Program (HEOP)
- Vietnam Veterans Tuition Award
- New York State Scholarship for Academic Excellence

Transfer Student Eligibility

Transfer students (and students readmitted after a period of absence from college) will be subject to procedures slightly different from those applied to students in continuing status. For example, when a student transfers from a TAP-eligible program at one institution to another TAP-eligible program at a second institution, the receiving institution must make a determination, based upon an evaluation of the student's academic and, to the extent possible, financial aid record, that the transfer student is able to benefit from and is admissible to the new program of study. The receiving institution will assign a certain number of transfer credits it is willing to accept from the student's previous study, and on the basis of this assessment the student will be placed either at the appropriate point on the chart of "satisfactory academic progress" (described above) that corresponds to the number of transfer credits accepted, or at the point which corresponds to the number of payments previously received by the student, whichever is more beneficial to the student.

Method and Frequency of Title IV Financial Aid Disbursements

Federal Pell Grants and FSEOG are credited directly to a student's account with the Business Office. One-half of a student's total award is credited per semester. Students receiving a Federal Work Study award (FWS) are paid on a biweekly basis for hours worked. Payment is made directly to the student. Federal Direct Loan funds are typically sent by electronic funds transfer (EFT). Generally, one-half of the total loan is sent for each semester, less any origination fees deducted by the lender. The same is usually the case for Federal Direct PLUS Loans. If a check is received for either a Federal Direct or Direct PLUS loan, the Business Office will obtain the appropriate endorsement from the student and/or parent.

Financial Aid Refund Policy

When a student withdraws from the University prior to the end of the semester and has received financial aid other than Federal Work Study, calculations are done to determine if any money needs to be returned to the sponsoring aid programs. Withdrawal procedures can be found in the Academic Policies section of the catalog.

St. Bonaventure University Scholarships and Grants

The student's account will be credited with a prorated scholarship/grant. The percentage used in proration will be the same as the percentage of revised tuition liability, i.e., a student eligible for a tuition refund equivalent to 90 percent of tuition charges has incurred a 10% tuition

liability. The student's account will be credited with 10% of the semester scholarship/grant award.

State Scholarships

Refunding proration is done according to specific regulations of the sponsoring state.

Private (Outside) Scholarships

Refunding proration is done according to specific regulations of the sponsoring agency.

Federal Programs (Title IV)

Regulations require each educational institution to have a written policy for the refund and repayment of federal aid received by students who officially withdraw during a term for which payment has been received. These policies are effective only if a student completely terminates enrollment or stops attending classes before completing more than 60 percent of the enrollment period. Federal aid is earned in a prorated manner on a per diem basis based on the academic calendar up to the 60 percent point in the semester. Federal aid is viewed as 100 percent earned after that point in time. A copy of the worksheet used for this calculation can be requested from the Office of Financial Aid.

After the dollar amount to be refunded to the federal programs has been determined, the refund is applied to the accounts in the following sequence: Unsubsidized Federal Direct Loan, Subsidized Federal Direct Loan, Federal Perkins Loan, Federal PLUS Loan, Federal Pell Grant, and Federal Supplemental Educational Opportunity Grant (FSEOG).

Federal Program Repayment Policy

The amount of Title IV aid that a student must repay is determined via the Federal Formula for Return of Title IV funds as specified in Section 484B of the Higher Education Act. This law also specifies the order of the return of the Title IV funds to the programs from which they are awarded which is listed above.

A repayment may be required when cash has been disbursed to a student from financial aid funds in excess of the amount of aid a student earned during the term. The amount of Title IV aid is earned by multiplying the total Title IV aid (excluding Federal Work Study) for which the student qualified by the percentage of time during the term that the student was enrolled. If less aid was paid than earned, the student may receive a late disbursement for the difference. If more aid was disbursed than was earned, the amount of Title IV aid that must be returned is determined by subtracting the amount earned from the amount actually disbursed.

The responsibility for returning unearned aid is allocated between the university and the student according to the portion of disbursed aid that could have been used to cover university charges and the portion that could have been disbursed to the student once the university charges were covered. St. Bonaventure University will distribute the unearned portion of the disbursed aid that could have been used to cover university charges and the portion that could have been disbursed directly to the student once university charges were covered.

St. Bonaventure University will distribute the unearned aid back to the Title IV programs as specified by law. The student will be billed for the amount the student owes to the Title IV programs and any amount due to the university resulting from the return of Title IV funds used to cover university charges.

The requirements for Title IV program funds when you withdraw are separate from the refund policy of the university. The refund policy of the university can be found in the Student Expenses section of the catalog.

Therefore, you may still owe funds to the university to cover unpaid institutional charges.

Copies of common refund examples are available in the Office of Financial Aid.
