Students interested in a study abroad experience — summer, semester, or full year — should contact Yvette Jordan, Coordinator International and Study Abroad, one year in advance. Careful planning and coordination take place during that time. Students should have appropriate departmental approval in order to participate in study abroad.

Options are available in all majors, some including internships, work/study and service learning. Grades and credits earned through study abroad programs sponsored by SBU are applied to SBU transcripts. Only credits earned through outside study abroad programs are applied to SBU transcripts.

Federal financial aid can be applied towards a study abroad experience; however, students holding institutional or certain endowed scholarships or grants will be unable to use these to fund the cost of their study-abroad program. For more information, students and parents should contact the Office of Financial Aid at (716) 375-2020 or onestop@sbu.edu.
